Dear John,

Wow. What can I say about this program...? This was the most engaging program I've had here at Texas Tech University. Every media outlet covered this event. We never have this type of response from the media. It even made the front page of the Lubbock Avalanche Journal. The student response was overwhelming. The show sold out by 1:30 pm the day of the event. Craig had as large a response from the crowd as Ron did. The debate was very well done. People are still talking about it.

We look forward to working with Wolfman Productions in the future.

Sincerely,
